**IN RE: PETITION OF ON-SITE SYSTEMS, INC. TO AMEND ITS
CERTIFICATE OF CONVENIENCE AND NECESSITY**

DOCKET No. 99-00263

Petition of On-Site systems, Inc.
to amend its Certificate of Convenience and Necessity

On-Site Systems, Inc. ("On-Site") petitions the Tennessee Regulatory Authority ("TRA") to amend On-Site's Certificate of Convenience and Necessity to expand its service area to include a portion of Williamson County known as the Silo Springs Development. It is located at the intersection of Nolensville Road and Mullens Lane. This development is within the boundry of the Nolensville / College Grove Utility District. Per the attached letter, the utility district does not desire to provide sewer service to this area and has granted On-Site Systems, Inc. the right to do so.

The proposed service area comprised of approximately 350 acres is shown in Exhibit A.

Respectfully submitted,

Charles Pickney Jr., President
On-Site Systems, Inc.

RE: Petition to amend Certificate of Convenience and Necessity

Dear Mr. Waddell:

On-Site Systems Inc. desires to expand its service area to include an area known as the Silo Springs Development (approximately 350 acres which is the property of Gene Davis - at the intersection of Nolensville Road and Mullens Lane) in Williamson County. The attached Petition is in support of our request.

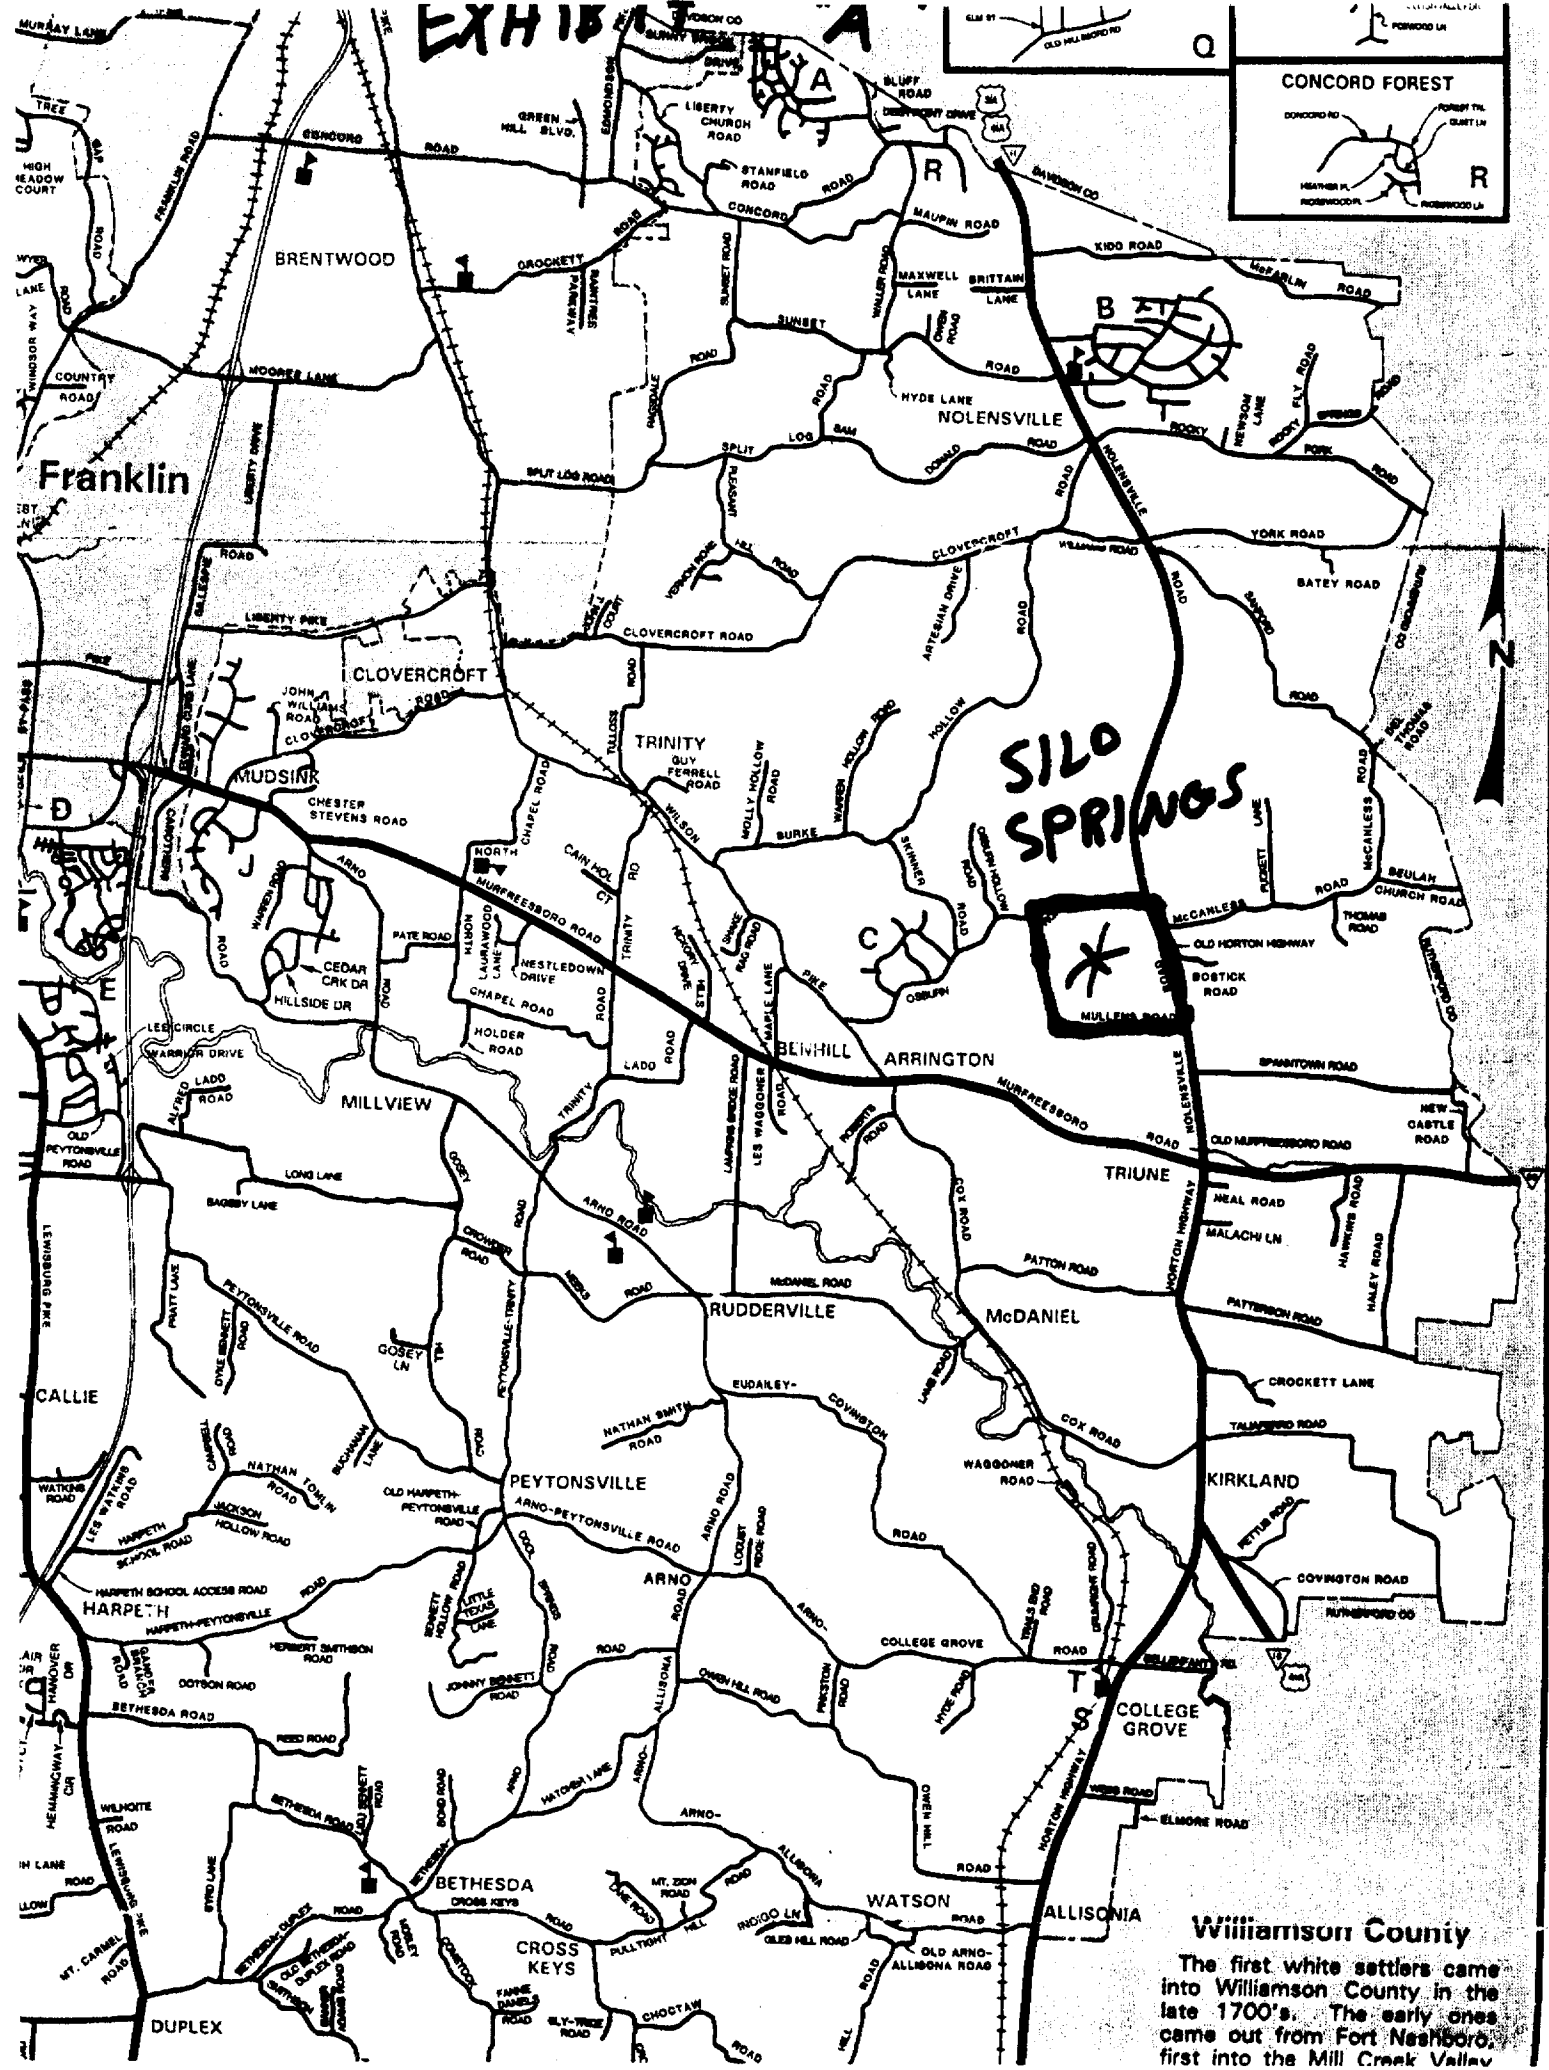

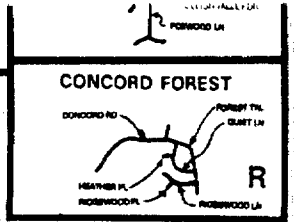

Sincerely,

Charles Pickney, Jr., President
On-Site Systems, Inc.

Re: Silo Springs Development

Dear Mr. Pickney,

At our last regularly scheduled meeting on April 14, 1999 the Board of Commissioners agreed to allow On-Site Systems, Inc. to provide sewer service to the Silo Springs Development, which is located within N/CG Utility District's service area. The sewer service area relinquished applies only to the area contained in the Silo Springs Development.

If you have any questions or concerns, please give me a call.

Sincerely,

Charles Strasser
General Manager
